Pregnancy and Women's Health
Subsection C. Medical Programs for Women

INSERT

Pregnancy and Women's Health
Subsection C. Medical Programs for Women

Summary

Clarifying Information after WAC 388-462-0015, Medical eligibility for pregnant women.

Revised to:
Add Maternity Support Services as an example of one of the services for First Steps.

Worker Responsibilities after WAC 388-462-0015, Medical eligibility for pregnant women. Added a new subsection #8.

Add information that when a pregnant woman applies but cannot meet spenddown until the baby is born, that woman is eligible for:

- The extended post partum care; and
- Family planning services.

The base period should be through the end of the month in which the baby is due but should not exceed 6 months.

Re-numbered the remaining subsections.
